CHARMAINE

Her parents should have gotten straight to the point and named her "Charming," and be done with it. There's no other adjective in our book that would so accurately describe her. View her feminine delights and see if you don't agree.

50

RONI

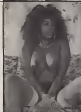

"It's my fondest wish that when I model, I create a fantasy-like environment for you, the observer, to be fulfilled to the ultimate degree," says Roni. Don't worry about a thing, Roni. When you appear in print, all our wishes come true.

11

KAREN

On a scale of 1 to 10, how would you rate Karen's breasts for beauty? 11? Yeah, that's what we thought too. And that's also why Karen's layout will be one of the most pleasurable visual experiences you'll ever have.

60

KELI

She's one of the all-time great ladies of the adult entertainment industry; she has a following that numbers into the thousands. Keli is one of those glasses beauties that will always be a welcome sight for sore eyes.

24

TIPPY

Although Tippy never had any desire to be a model, fate took a hand and, voila, you see her before you in a pictorial any veteran model would be envious of. The best thing about fate jumping in like that, now you can see Tippy model, any time you like.

66

MIRIAM

Where does a sexy, 5'9", 38-25-38, chocolate-complected beauty like Miriam pose for her first artistic nude layout? Answer: Anywhere she wants.

28

LADY STEPHANIE

Don't let her petite figure mislead you. She's a sexual powerhouse if ever there was one. Having performed in some of the same videos as her girlfriend Sahara, Lady Stephanie has proven herself an adult entertainment favorite too.

70

ELOISA

"Just imagine that you're surrounded by the most elegant decor," begins Eloisa, "and you're given the most gorgeous outfit to wear. Well, that's what happened to me when I did this layout. . . a dream come true." We're only too happy to oblige, Eloisa.

NINA DePONCA

X-rated movie actress Nina DePonca has been known by many names—including "Veronica" when she was doing still photo layouts. Using as many different names as she has, has definitely lent her a mysterious air. PLAYERS Girl Pictorial asked Nina... Why so many names?!

"It just happened like that," Nina offers with a smile. "I started out with Nina and I didn't like it so I went to Jane DeVille, and after I left (for a brief retirement), I guess people (video companies) didn't know my (professional) name, so they were putting Vera Butler, because I had started letting people call me by my real name. But it is now officially Nina DePonca."

HOW SHE GOT STARTED

We asked her about the rumor that she was discovered by the infamous Dark Bros, that they brought her from her job as a Las Vegas showgirl to Los Angeles to perform exclusively for their video line. Is there any truth to it?

"No, I guess (that rumor got started) because Greg Dark's girlfriend discovered me. She was a talent scout for another men's magazine, and I asked them where to get into adult films. And they showed the way. So, when the chance came about (to model in PLAYERS) see Vol. 13 No. 10). I jumped on it: I didn't have to think. There's

Dark's girlfriend discovered me. She was a talent scout for another men's magazine, and I asked them where to get into adult films. And they showed the way. So, when the chance came about (to model in PLAYERS) see Vol. 13 No. 10), I jumped on it; I didn't have to think. There's always been something about it that just intrigued me I guess. I used to sneak home and look at them (adult magazines), I think because I've always have been intrigued with the nude body. When I found out I could be naked and make money too, It was what I was looking for. Here are a few more tidbits of knowledge concerning Nina DePonca:

SEXUAL INITIATION

"I've always been curious about sex. I was very open with sex and I wanted to try everything that had to do with sex. So I think I had a lot of practice along the way. In the area I grew up in, I had to grow up kinda fast. There were a lot of problems back then and sex was one answer to them. That was one of the reasons why I got into it so early."

FIRST VIDEO

"My first video was *Black Heat* for Wet Video."

FAVORITE VIDEO

"My favorite video where I was pleased with my performance, is *Smooth as Silk*."

JOB SATISFACTION

"I enjoy my work . . . it's fun at times, no, all the time (laughs)."

FAVORITE SEX POSITIONS

"My favorite sex positions are . . . missionary at home, missionary for the camera, not doggie-style for the camera, and never a 'spoon.' I hate 69, it's hard for me to concentrate."

FUNNIEST ON-CAMERA INCIDENT

"My favorite sex positions are . . . missionary at home, missionary for the camera, not doggie-style for the camera, and never a 'spoon.' I hate 69, it's hard for me to concentrate."

FUNNIEST ON-CAMERA INCIDENT

"One time we were doing a sex scene and I was so into it that I reached back behind me toward the cameraman who was standing over us. And I was really into the scene and not realizing it, I grabbed the cameraman's cock! (laughs). He like to fell down with the camera, but there I was with his cock in my hands (laughs)."

SEX ACTRESSES ADMIRER

"I admire Angel Kelly, Ebony Ayes and I also greatly admire some of the actresses who preformed before me such as Vanessa Del Rio and Seka. They were more glamorous than most of the actresses working today."

FAVORITE ACTORS

"I like Ray Visor (aka Ray Victory), Tom Byron, F.M. Bradley, I like them all as long as they can get it up."

BIRTH SIGN

"I'm a Scorpio: a good friend, loyal. It's a sex sign they say, and I believe it. Straightforward, direct, honest."

MALE ATTRACTION

"When I look at a guy, I try to look at his personality first. And after that, you never know; I never know who'll I'll be attracted to. It's just something that might spark when you first see that person for awhile and you suddenly become attracted to him. I can't really say. But one thing that will attract me to a man is a strong man and a man who looks like a man. I mean, I like nothing girlish about my guys. I like my men to be very physical when they're making love to me; I like it rough (smiles, laughs)."

LOVE LIFE ADVICE

"As to whether men and women should be open and honest when they approach each other, I think it depends on the person. Some people are very closed in their minds, set in their ways and are hard to change. I don't think everybody should be open; in some cases, a little mystery is okay."
